The above table(s) may contain information that is protected under FERPA (the Family Educational Rights Privacy Act). You are granted access to this information in your capacity as a UNLV employee. As a reminder, in reporting information, if cell size (typically 10 or fewer) or other information would make a faculty member's identity "easily traceable," that information would be considered personally identifiable." See 34 CFR § 99.3. The educational agency or institution should use generally accepted statistical principles and methods to ensure that the data are reported in a manner that full prevents the identification of students. If that cannot be done, the data must not be reported.
