

Student Process for Blue Online Course Evaluations  
University of Nevada, Las Vegas

This document provides illustrations\* of the steps students will follow to complete their Blue online course evaluations.

1. You will receive an email from Blue providing a link to your course evaluation task list.

Hello [student name],

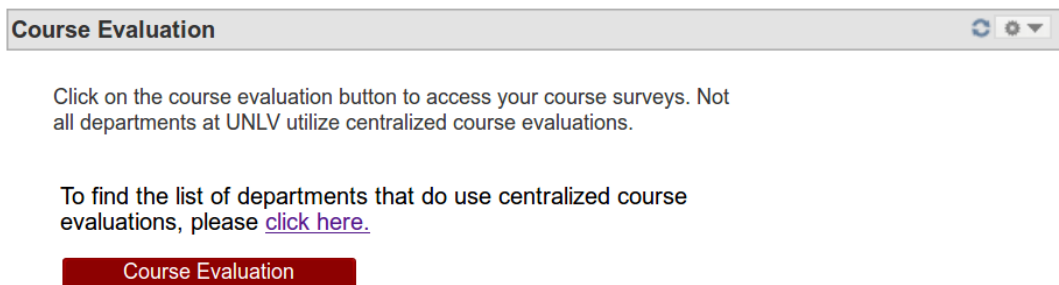

At UNLV, course evaluations are considered an important component of effective instruction. Student feedback will help us understand and address the issues facing students such as yourself. Your responses are confidential, your instructors will not have access to individual responses and they will not receive their summary report until after grades have been submitted.

To access your course evaluations, please log on to [your MyUNLV](#) account. From the main screen and on the bottom left, click on 'Course Evaluation' and choose your courses to evaluate. You can save your course evaluation responses if you do not have time to complete the process in one sitting. Make sure to click on the Submit button when you are done. Thank you for your time.

Regards,

Cynthia Clark, PhD  
Course Evaluation Coordinator  
University of Nevada, Las Vegas  
[ctr4eval@unlv.nevada.edu](mailto:ctr4eval@unlv.nevada.edu)

Once you access your MyUNLV page, you will find the Course Evaluation section on the bottom left.
